

ODDO Development has submitted a proposal to build 28 multi-story apartment buildings, convenience store and assisted living center on the NW corner of K-10 & Canyon Creek Blvd. This proposal requires multiple plats to be rezoned from RP1 (planned single family residential) and CPO - General Office. This proposal rejects the published Lenexa Master Land use plan which many used when building/buying in this area of Lenexa.

The Lenexa Planning Commission will be meeting Monday January 8, 2024 7 p.m. to make a decision on the re-zoning.

If you would like to voice your opinion on this matter, you are encouraged to attend the meeting in person or send an email to the Lenexa Council Members.

The planning commission meeting will be held at Lenexa City Hall starting at 7:00PM located at City Hall (17101 W. 87th Street Parkway Lenexa KS).
